

# WE ARE HIRING!

We are looking for

## UI/UX DESIGNER

We are looking for an experienced UX/UI Designer to join us on a freelance or contract basis. If you've got 3+ years of experience and a strong portfolio showcasing the ability to solve user problems through thoughtful visual and interaction design, we'd love to hear from you!

**APPLY NOW!**

Mail your resume to [hello@tech4goodcommunity.com](mailto:hello@tech4goodcommunity.com)

### BTECH4GOOD

- Drive design solutions based on user behaviour and human computer interaction principles that further user adoption.
- Design, prototype, and test the experiences you envision.
- Lead the UX design process from concept to implementation, creating wireframes & mockups.
- Work closely with engineering to ensure your designs are built as intended.
- Provide design direction to the development team.

### GOOD2HAVE

- 3+ years of work experience in UX/UI design.
- Knowledge of web technologies (HTML, CSS, JavaScript) and their impact on design implementation.
- Proficiency in design software (Figma, Miro, Sketch, Adobe XD, etc.)
- A portfolio showcasing well-crafted visual and interaction design solutions solving real user problems.

### BROWNIE POINTS

- Have experience working on SaaS interfaces
- Experience with front end frameworks (e.g., AngularJS, ReactJS, etc.).
